Dear Mr Aliyu

Thank you for your interest in studying with us here at the University of Plymouth. I am delighted to offer you a place on **MSc Artificial Intelligence** for January 2025. We believe you have exactly what we are looking for in our students and future alumni.

Whether you're choosing further study to deepen your existing knowledge into a specialism or to expand your horizons to an alternative career, we are certain that we have the academic staff and support teams who will be able to add real value to your time studying with us.

Your next steps

When you choose to study at the University of Plymouth you will be joining a vibrant student community studying courses taught by some of the UK's leading academics. You'll be able to enjoy a strong campus feeling, combined with the benefits of being located in the city centre. Plymouth is a cost-effective place to live with everything you'll need right on your doorstep.

You will find helpful information about tuition fees, funding, how to reply to this offer and the student contract on our website. Scan the QR code below or visit plymouth.ac.uk/my-offer to start planning your future at Plymouth.

Your application is just the beginning of your student journey with us. I recommend that you visit plymouth.ac.uk/international-support where you will find lots of useful information regarding studying at the University of Plymouth as an international student.

Visit us

I appreciate that as an international student you may be unable to visit us here on campus at one of our events, but we have lots of information on what it is like living and studying here on our award-winning **Plymouth On Demand** site at plymouth.ac.uk/pod. You can take a virtual tour of Plymouth and the University, and watch and attend a range of virtual events to gather more insight into life as a University of Plymouth student.

If you can visit us, we would be very pleased to welcome you. Details of our Open Days, Offer Holder Days and Campus Tours can be found at plymouth.ac.uk/open-days, or you can scan the QR code below.
